Dear Sir

We have audited the accounts of Glyn Ford, Member of the European Parliament for the South West of England, for the year ended 31 December 2008.

We have not been provided with the 2008 bank statements in respect of the wages account. We have seen a copy of a detailed cashbook and have received written confirmation from P David Levinson, Glyn Ford's accountant, that the wages account has been operated correctly.

We understand Mr Levinson will be returning to the United Kingdom on 21 May 2009 and bank statements will be available to us after that date. This report is therefore interim until all matters have been concluded.

Subject to the above we can confirm that the accounts comply with the rules on the use of allowances set out in articles 13 and 14 of the European Parliament rules governing the payment of expenses and allowances to a member and the guidance note on the use of expenses adopted by the European Parliamentary Labour Party.

Yours faithfully
